

Trade Name: ASTRO DORGARD RETAINER

Auto Release Fire Door Retainer

The Dorgard fire door retainer installs in under five minutes

Automatically releases fire doors when the fire alarm sounds

Automatic night-time release facility

Improves access for wheelchair users

Complies with BS EN 1155

Available in a variety of colours

Description

Wedging open fire doors is dangerous - and illegal.

Dorgard is the safe, legal and cost-effective solution for holding doors open.

Dorgard provides a wire-free solution for legally holding open fire doors in any position.

Suitable for any working environment that has an automatic fire detection system installed - eg. offices, schools, shops, theatres, hospitals, care homes etc.
