

Trade Names: Astro AS Flipper Seal Acoustic Double Door Seal

Sound Reduction of up to 36dB*

Choice of Brown, Black or White

Woodgrain finishes available

Suitable for Plain or Rebated styles

Easy to install - self adhesive seals

Colour options Black, Brown, White, Light Oak

Woodgrain finishes available on application

Description

The Astro AS Flipper Seal with a double flipper meeting style seal has been designed for use with either plain or rebated double doorsets, specifically to improve the aesthetics and acoustic properties. It has been tested to show an unaided weighted sound reduction of up to 36dB*. The product is supplied fitted with a high performance self adhesive tape to allow the product to be fitted in position prior to screw fixing and is available in various colours.

Dimensions:

A 18.0mm

B 11.0mm

C 13.0mm

Symbols Key			
	Light		Document E
	Weatherproof		Easy Access
	Acoustic seal		Smoke seal
	Insectproof		Draught seal

All seals showing an E Doc symbol and stating a dB rating have been independently tested by an accredited test laboratory in order to obtain the rating stated.

* The actual acoustic performance obtained depends on a variety of factors, such as the door density and any additional threshold & perimeter seals used in conjunction with this product. If in doubt contact us for confirmation.

A slimline 34dB reduction acoustic seal is available here - [Quad Flipper Seal](#)

Test and Assessment Reports

Testing undertaken in accordance with BS EN ISO240-3:1995 revealed a timber doorset assembly with no seals fitted around the perimeter of the doorset achieved a R_w 23dB rating. This falls well below the minimum specified in Approved Document E which is 29dB. When tested again with the Astro AS Flipper Seal there was an increase in the performance to R_w 36dB.

For additional testing, or technical information please contact Astrodraft.

Health and Safety

This product presents no known Health problems.

Installation

Please refer to the installation sheet that comes with the product
