## Description

---

Astro Finger Defender is a durable, high quality finger guard suitable for most single and double-action doors, including automated doors.

It prevents fingers entering the cavity formed between the door and the frame by means of a non-flammable blind, which opens and closes with the action of the door and retracts into the aluminium housing when not in use.

The aluminium housing is available in three standard finishes and (subject to order quantity) any RAL colour.

Independently tested to over 1 million opening & closing cycles.

The guard has concealed screw fixings and comes complete with end caps for a neat finish.

Maximum opening: 260mm  
Standard sizes 1925mm and 2015mm
