- Standard length 1925mm with a maximum opening of 260mm.
- Longer version 2015mm meets EN16005 for automatic doors.
- Tested to a 60 min fire rating.

Product Description

Astro Finger Defender is a durable, high quality finger guard suitable for most single and double-action doors, including automated doors. It prevents fingers entering the cavity formed between the door and the frame by means of a flame retardant blind, which opens and closes with the action of the door and retracts into the aluminium housing when not in use.

The aluminium housing is available in three standard finishes and any RAL colour on request. Independently tested to over 1 million opening & closing cycles. The guard is suitable for use on 60 minute fire doors.

Maximum opening: 260mm.

Product Availability

Housing Colours: Satin anodised aluminum, dark bronze anodised, white or colour coated to any RAL Colour
 Blind colour: Black

Available to order in any quantity, except RAL colours, which are subject to minimum order quantity.
