

Trade Name: Astro HS Door Viewer

## Fire Rated, High Security, Door Viewer

High Security Door Viewer

Fire Rated for 60 minutes.

Suits 35mm - 62mm thickness doors

Person viewing can be seated or standing.

Prism system permits viewer to be up to 2 metres away from the door.

180° external viewing area.

Antique Gold or Silver Finish in plastic.

### Description

A door viewer with extra security features and designed for a wider range of users than standard door viewers.

The special prism optics built into this secure door viewer allow the viewer to be stood well back from the door and provide other special features:

Whoever is on the other side of the door can not see inside / view movement

The person viewing can be up to 2 metres back from the door and still see who is outside over a viewing angle of up to 180°

High or Low viewing - the viewer can be standing or seated. The lower viewing option is well suited to wheelchair users or children.

Offering 180 degree view and made from quality plastics.

Fire protection is by an intumescent strip, rated for 60 minutes fire resistance.

Conforms to DHF TS02 Specification
