

ASTRO Bare Surface Graffiti Remover

Trade Name ASTRO BSGR

A Graffiti Remover designed for use on porous surfaces that have not been protected with an anti-graffiti coating.

Astro BSGR has been specifically developed to remove both aerosol and marker pen graffiti, without residual shadowing, prior to the application of the Astro Anti Graffiti Paint system.

Description

Astro BSGR has been designed to remove graffiti from brick, concrete and stone, though it can be equally effective on other substrates.

As Astro BSGR is an aggressive solvent based cleaner **it is not suitable for use on previously painted surfaces or any that may be damaged by strong solvents.**

If you are unsure we recommend that you do a small trial application to assess the products suitability. If you are in any doubt as to the suitability of the product contact Astroflame.

Available in 5 litre tins

Application

Apply Astro BSGR to the graffiti affected area using a brush. The product is gelled to assist application onto vertical surfaces.

Leave for 15 mins then test a small area to see if it has dissolved the graffiti, if not then leave for a further 15 mins.

Rinse off thoroughly with cold water, preferably using a pressure washer.

See separate H&S sheet prior to use
