
Trade Name ASTRO BSGR

Bare Surface Graffiti Remover

[COSH H Data](#)

[Installation Data](#)

[Product Images](#)

[Installation Video](#)

A solvent based graffiti remover designed for use on porous masonry surface.

Removes aerosol and marker pen graffiti

Gelled for ease of application

No residual graffiti shadowing

Water washable .

Description

Astro BSGR has been designed to remove graffiti from brick, concrete and stone, though it can be equally effective on other substrates.

As Astro BSGR is a solvent based cleaner **it is not suitable for use on previously painted surfaces or surfaces that may be damaged by strong solvents.**

If you are unsure we recommend that you do a small trial application to assess the products suitability. If you are in any doubt as to the suitability of the product contact Astroflame.

Packing

Available in 5 or 20 litre containers.

To Order & Specify

To Order & Specify: Quantity / Trade name / Product ref

Typical wording:

3 / Astro BSGR /: ABSGR5

Fire Test or Assessment Reports

BS476 Part 20: 1987

EN1366-3

NHBC Type Approval

Health and Safety

Contains Dicloromethane and Methanol.

See separate Health & Safety (COSHH) sheet prior to use.

Application

Apply Astro BSGR to the graffiti affected area using a brush. The product is gelled to assist application onto vertical surfaces.

Leave for 15-30 mins then test a small area to see if it has dissolved the graffiti, if not then leave for a further 15 mins.

Rinse off thoroughly with cold water, preferably using a pressure washer.

If any shadowing remains allow surface to dry and repeat application of BSGR to those areas.

Clean all equipment with water immediately after use.

Coverage - approximately 10 square meters per litre depending on porosity of surface.

Read the Health & Safety (COSHH) sheet before use.
