Astro corner guard clear

Revision 2 - May 2018

Astro corner guard clear

Transparent Corner Guard Safety Strip

- Locking cable window restrictors enable natural ventilation without introducing safety / security risks for children.
- Designed to meet HSE recommendations for Window Restrictors.
- Exceeds strength requirements of EN 16281 (consumer fitted child resistant locking devices for windows and balcony doors).
- Installs to PVC, aluminium, wooden and metal profile windows and doors.
- Window can be fully opened by unlocking the restrictor cable.
- Resistant to oxidation and corrosion.
- UV and MRSA resistant plastic coatings for improved performance.
- White or Brown finish.
- Supplied as a kit with all fittings and instructions.

Product Description

A window restrictor protects babies and children from accidental falls via windows or balcony doors opened to allow natural ventilation.

It also acts as a security measure to deter opportunist intruders and to restrict what can be passed via the window / door gap. This model can be used on all types of windows and doors including uPVC, aluminium, wooden and metal profiles.

The locked cable restricts window opening to under 100mm but, when unlocked, the window can be fully opened making this restrictor suitable for use on doors and windows that may be used for fire evacuation purposes.

The locked restrictor withstands forces over 100kg (220 lbs. / 15 stone / 980Nm): the industry standard is 50kg. It exceeds the strength requirements of EN 16281 - consumer fitted child resistant locking devices for windows and balcony doors.

As well as meeting HSE recommendations for window restrictor design this restrictor incorporates UV and corrosion resistant materials for a long life and anti-MRSA additives for maximum hygiene.

It is robust, durable and easy to fit and supplied with all required fittings plus instructions.

Product Availability

Available in either Brown or White. Packed - Individual bubble pack with all fittings:

4x Self-drilling screws,
1x Steel cable,
1x Locking system with plastic cover,
1x Key.
