#### Product Description

The Astro Finger Guard - Washable is ideal for hospitals, kitchens and other clean areas. Perfect for **sterile environments** as it can be steamed cleaned, so surfaces are wipeable and easy to clean. The Astro Finger Guard - Washable is also a high quality finger guard ideal for use with external doors subject to weathering forces. The guard is resistant to: rain, snow, frost, foliage, dirt and UV light with an operating temperature range of -20 to +50 °C.

This guard has an increased wall thickness for extra durability and has been tested to over 200,000 cycles. The guard is attached by concealed fixings and the tension in the blind prevents fingers entering the hinge gap, where they may be subject to trapping. Supplied with instructions and all fixings.
