Astro Finger Defender - Glass

Revision 2 - April 2018

Astro Finger Defender - Glass

Finger Defender hinge guard for glass doors

- A finger guard exclusively for glass doors.
- Suitable for most single or double-action doors.
- Suitable for manual or automated opening glass doors.
- Prevents finger trapping accidents.
- Extremely durable and maintenance free.
- Tested to over 1 million open & closing cycles.
- Fits most doors up to 180° opening.
- Impact resistant aluminium housing.
- Satin anodised aluminum finish as standard.

Product Description

Astro Finger Defender - Glass is a high quality finger guard designed exclusively for use with glass doors. It uses a resilient blind mounted in a robust aluminium housing that attaches to the door frame. The other end of the blind is fixed to the surface of the glass door via an aluminium strip with built-in acrylate-foam high performance tape.

The tension in the blind prevents fingers entering the hinge gap, where they may be subject to trapping. Independently tested to over 1 million opening & closing cycles

Product Availability

Colours: Satin anodised aluminum housing with black fire retardant fabric. 2015 to comply 16005 is available for automatic.
