Product Description

Astro Finger Saver Elite Rear is a budget priced guard to cover the rear hinge gap for total protection from finger trapping accidents. Shaped like a long hinge strip, in an aluminium finish, it is installed using double-sided adhesive tape.

For use in conjunction with standard commercial hinge with a barrel diameter between 12-18mm. Together with **Astro Finger Saver Elite Front** it guarantees total safety from the risk of finger pinching while allowing the door to open up to 180° depending on door configuration.
